

RMI

Remnant Ministry Institute

WHAT IS RMI?

The Remnant Church follows a W.I.S.E model of training, development, and engagement. Included in that model is intentional instruction. We want every believer to be a student of the Word and understand what it is that we believe so that we can all be prepared to stand up for the faith in season and out of season. Therefore, RMI serves as the platform where we engage in instruction and learning about concepts of faith, doctrinal elements, and practical ministry solutions.

WHO IS RMI FOR?

- Everyone who desires to be a more informed Believer
- There will be specific classes that are designated for individuals called to Pastoral Leadership and the Ministry of a Deacon.

WHAT WILL YOU GAIN FROM RMI?

- A greater foundation in the pillar concepts of Christianity
- An increased ability and confidence to explain and share your faith
- Greater knowledge of practical ministry solutions
- An expanded understanding of your role as a servant of Christ
- Growth in your leadership skills and ability
